

JUNIPER GROUP FAMILY PICNIC

**Sunday, Sept. 7th, 2:00 pm
Shevlin Park, Bend**

**Meet Local Candidates
Nature-Bird Walk
Biking
Adopt-A-Forest**

Bring your family and join other Sierra Club members for a fun afternoon at Shevlin! We'll do a family-friendly nature-bird watching walk, and bring your bikes for car-free biking on the trails or paved road.

- BBQ available for grilling
- Bring your own meal, utensils and a dessert to share (optional)
- Cookies provided by the Juniper Group
- Bring folding chairs or blanket for added comfort

Sierra Club-endorsed candidates **Judy Steigler** (Dist. 54-Bend), **Conrad Ruel** (Dist. 53-Sunriver, LaPine, Redmond, Sisters), **Maren Lundgren** (Senate Dist. 27-most of Deschutes County), and **Alan Unger** (Deschutes County Commission) are invited, so you can chat informally with them.

Learn about our **Adopt-A-Forest campaign!** For as little as \$5, join the many others who are fighting climate change by adopting a native tree--yours to plant or to donate to a local forest or watershed restoration planting area.

Coming from Bend on Shevlin Road, turn left into Shevlin Park (not Aspen Hall entrance), proceed to gate area and park. We'll be in the picnic area near Tumalo Creek.

See you there! If you can, let us know you're coming by replying to this email so we can plan better.
